Objective

I'm a graphic designer full of ambition and curiosity, seeking a design position that focuses on visual design, brand identity, and typography, where I can contribute my professional skills and ideas to a creative team that's passionate about creating meaningful designs.

Education

Academy of Art University

Graphic Design & Digital Media / 2017-2021
Master of Fine Arts MFA, San Francisco, CA

Sichuan University of Media and Communications

Film Directing and Editing / 2012-2016
Bachelor of Fine Arts BFA, Chengdu, China

MFA Thesis

Package Security / 2020-2021

“LOCADED” project / San Francisco, CA

Conducted primary research, found insights, identified problems, and developed a complete visual solution to improve package safety by uniting neighbors, connecting the community, and helping each other.

EXPERIENCE

Film & Editing Director / 2015-2017

Chiyan Independent Video Studio, Chengdu China

The studio provides clients with commercial promotional videos and student films. I was the filming and editing director in the studio, coordinating and guiding the project.
